Please be advised that we do not have in-house massage therapists. However, in our commitment to providing exceptional service to our guests, we are able to arrange for an external therapist.

Kindly note that bookings are essential and must be confirmed and fully paid at least 48 hours prior to arrival. A minimum of two massages or services, with a combined value of up to R1200, is required to secure a booking.

If a booking is confirmed and therapists are arranged, cancellation on the day of the service will incur a responsibility for the transport costs of the therapist, which will be borne by the guest.

Additionally, under our terms and conditions, please be aware that the lodge cannot be held liable for any allergic reactions to the products used during treatments.

We also recommend reviewing all relevant terms and conditions before confirming your booking.

Please note: Bookings prior to arrival are essential to secure your spot and ensure availability for this exclusive offer. Book with Zuannette directly via WhatsApp on 073 446 6607.
